- (2) Every person giving an application under regulation 11-B shall appoint a registered Architect for drawing up of plans. The supervision of erection or re-erection of residential and commercial buildings (governed by architecture controls) upto three stories or 11metre height may be undertaken by the Architect. However, for industrial buildings and commercial buildings (governed by architecture control and above 11metre height) the supervision shall be undertaken both by the Architect and the Engineer. The Architect shall sign the certificate taking responsibility for architectural supervision only.
- (3) The application, plans, structural drawings , specifications and the certificates shall be signed by the applicant and the registered Architect ,Engineer ,Structural Engineer and Proof Consultant as required in the relevant forms/documents.
- (4) The application shall be accompanied by the scrutiny fee to be calculated at the rate of Rs 10 per square meter of the floor area.
- (5) Amount of malba fee/security shall be Rs 1000/- (One thousand rupees only) for the plot having an area less than one kanal and Rs 2000/- (Two thousand rupees only) for the plot having an area of one kanal or more . Fifty percent of the amount shall be deposited as non refundable security. The malba fee/security shall be deposited by the allottee with the Executive Engineer concerned before the start of construction of house or release of water connection. The amount of malba /security shall be refundable only after the malba is completely removed , the area is levelled and the occupation certificate is issued by the Estate Officer concerned .The refund of malbe fee/security shall further be subject to the condition that allottee shall construct pucca approach to his house by connecting it from the edge of road towards his house and not from any other point of the road.
- (6) This application shall be treated as the fifteen days notice for start of construction. The construction can be started after fifteen days, in case no objection is conveyed to the applicant.

- (7) In case where the supervising Architect /Engineer is different from the one who has prepared the designs, the plans shall be signed by both of them.

11-C *Checking of building plans and rectifying violations.*

- (1) Authority reserves the right to check the building plans and construction at any stage and violations, if found shall have to be rectified by the owner/applicant. In case the owner/applicant fails to rectify violations, the Authority shall demolish the unauthorized construction. Action shall also be taken against the defaulting Architect by removing his name from the panel and referring his case to the Council of Architecture for misconduct. All rectifications shall be at the risk and cost of the owner and no plea of the owner shall be entertained for any default committed by the Architect engaged by him. In all such cases the procedure of self- certification shall stand aborted .
- (2) If a building is begun, erected or re-erected in contravention to any of the building regulations, the Chief Administrator shall be competent to require the building to be altered or demolished, by a written notice delivered to the owner. Such notice shall also specify the period during which such alteration or demolition has to be completed and if the notice is not complied with, the Chief Administrator shall be competent to demolish the said building at the expense of the owner.

11-D *Preparation of zoning plans and checking of building plans.*

The Authority may constitute committees for-

- (a) preparation of zoning plans;
 - (b) checking of building plans,
- and entrust such committees with such powers and functions as it may deem proper.

- the different levels through floors, stair case, water closet, bath, Kitchen and garage;
- (ii) the plinth level of the building with reference to the level at the centre of the street or streets on which the proposed building is to abut;
- (iii) the Schedule indicating the sizes of the doors, windows, openings and other methods of ventilation of each room;
- (iv) the means of access to the building and its various floors together with the means of escape in case of fire, if required under the specific rules;
- (v) in case of the proposed additions and alterations to an existing building, all new works on the plan by indelible distinctive colours with a key to the colours used;
- (vi) the proposed method of drainage, including the position, form and dimensions of all privies, urinals, drains and the method of disposal of sewage, sullage and storm water in full detail; and
- (vii) north point relative to the plan of the building;

Note:-In case of large buildings, various blocks of the building may be drawn on separate sheets.

11-G *Type plans.*

In case the applicant wishes to follow type (standard) design of a building approved by an authorized officer of the Authority, he may obtain the same from the Estate Officer at the rate of Rs 100/- per print or at the rate fixed by the Authority from time to time. Rest of the procedure shall be the same as explained in regulations-11-A, 11-B, 11-E and 11-F above. However, the drawings to be submitted shall be the ones which have been supplied by the Authority and changes, if any, shall be shown on these very sheets.

11-H *Information necessary to validate application.*

No application under regulation 11-B shall be considered to be valid unless it is made on form BRS-I and is accompanied by the requisite number of plans and documents together with the scrutiny fee and malba fee/security at the rates mentioned at (4) and (5) of 11-B or at the rates fixed by the Authority from time to time. In case of failure of such compliance, the application

together with plans shall be returned to the applicant for resubmission in accordance with the regulations.

11-J *Validity of plans.*

Once an application under regulation 11-B has been made the same shall be considered valid for construction within two years of the date of submission of application .If construction is not completed within a period of two years then a fresh application shall have to be made under regulation 11-B.

11-K *Completion of excavation.*

The applicant jointly with his Architect shall give to the Estate Officer concerned intimation in form BRS-V11 along with necessary affidavit as mentioned in form BRS -V11.

11-L *Submission of progress certificates.*

- (1) Progress certificates in the provided formats in form BRS-VII shall be submitted jointly by both the Architect and the owner at the following stages. : -
 - (a) damp proof course level;
 - (b) roof level.
- (2) At the time of submitting the progress certificate at damp proof course level an affidavit as mentioned in form BRS-VII stating that the construction being done is as per Haryana Urban Development Authority bye laws/norms in force shall also be submitted. On submission of damp proof course progress certificate construction shall be withheld for a period of fifteen days to allow random checking by the Estate office. The allottee may proceed with further construction if he receives no notice during this period from the Estate office.

11-M *Completion drawings.*

- (1) On the completion of the building the owner and the Architect shall submit final completion drawings along with form BRS-III A/B, as applicable, along with affidavits as mentioned in form BRS-III A/B. Certificates in form BRS-IV A/B, as applicable, shall be submitted by Architect and Engineer along with certificates by contractor (if there is one) and plumber in

form BRS-VIII and BRS-IX. Following documents shall also be submitted:-

- (a) Self-assessment of violations in the building, jointly signed by the owner and Architect, along with demand draft of the due payment for compounding of such violations shall be submitted along with form BRS-III A/B.
- (b) Both the Owner and Architect shall give an affidavit as mentioned at serial no. 10 in form BRS-III A/B that no provision of Haryana Urban Development Authority bye-laws including allowable compounding items, has been violated.
- (c) Photographs of front, side, rear set backs, front and rear elevation of the building shall be submitted along with photographs of essential areas like cut outs and shafts from the roof top. A compact disc containing all photographs shall also be submitted.

11-N *Occupation certificate.*

- (1) The Authority shall necessarily issue an occupation certificate in form BRS VI within three working days of receipt of the form BRS-III A/B, duly complete in all respects and accompanied with the required completion drawings, forms and affidavits. The occupation certificate shall be issued provided that the documents submitted along with form BRS-III A/B are in order. Violations, if found at any subsequent stage, shall result in cancellation of the occupation certificate issued and the same may be restored only after removal of violations. Further, action against the Architect shall also be taken for furnishing a wrong certificate/affidavit.
- (2) No person shall occupy or allow any other person to occupy any new building or a part thereof for any purpose whatsoever until such building or part thereof has been certified by the Estate Officer as having been completed and an occupation certificate has been issued in his favour in form BRS-VI.
- (3) Provisional occupation certificate (in case of residential plots) pending the issue of final certificate may be issued for a period not exceeding six months in case where one habitable room, a kitchen and a toilet forming a part of the submitted plan is completed. However, a minimum of 25% of the ground coverage shall have to be constructed.

- (4) Construction of works as laid down in regulation 81A shall be the part of the occupation certificate. Unless such works are completed as per drawings submitted, no occupation certificate shall be issued.

11-O GENERAL

- (1) A system of arbitration may be devised for interpretation of bye- laws, whenever difference of opinion occurs. However, the final decision shall be taken by the Authority in all disputes and its decision shall be binding on the owner/Architect.
- (2) At any stage during construction, if an Architect notices that violations(except compoundable ones) are taking place, he shall intimate the Estate Officer of such violations and stop further supervision. He shall also intimate the allottee about the violations and advise him to stop further construction. Complete details along with photographs may be submitted to the Estate officer. The Authority may immediately issue a notice to the owner on the basis of the Architect's certificate to suspend further work and rectify violations. In such cases the owner shall be held responsible for further additions in violations. Such a situation shall automatically annul the process of self certification and the owner may, after removal of violations engage an Architect for preparing the revised drawings. In such cases completion shall be given only after scrutiny of revised drawings and inspection of site .
- (3) Sanctionable changes may be allowed to be done provided that at the completion stage all changes are incorporated by the Architect in the completion drawings to be submitted by the owner to the Authority. While seeking occupation certificate, the Architect shall give a certificate that all changes done are sanctionable and permissible as per bye laws.
- (4) If the supervising Architect / owner fails to submit the progress certificate at damp proof course level, both shall be held responsible. While action shall be initiated against the Architect to cancel his empanelment with Haryana Urban Development Authority and refer his case to Council of Architecture for cancellation of his registration, the owner shall

be liable to remove all violations and in addition, penalty for non submission of damp proof course certificate shall be levied.

- (5) After submitting of application or during the construction of building if the owner/registered Architect/registered structural Engineer/licensed plumber is changed, he shall intimate the competent Authority by registered letter that he is no longer responsible for the project from the date of actual dispatch of the letter. The information must be sent within seven days of occurrence of the change to the Estate Officer by the respective owner/ Architect/Engineer/plumber. The construction work shall have to be suspended until the new owner/ registered Architect/registered structural Engineer/licensed plumber, as case may be, undertakes the full responsibility of the project vide forms and documents submitted at the time of applying for erection/re-erection of the building within seven days of his taking over. Owner's intimation regarding change of name of professionals shall be considered to be final by the Authority.
- (6) If the owner or registered Architect/ Structural Engineer/ licensed plumber, as the case may be, submits a wrong report while making application under regulation 11-B or regulation 11-G or, if any, additional construction or violation is reported to exist at site or concealment of any fact comes to notice or if the Architect/owner falsely justifies or mis-states regarding completion , he shall be jointly and severally held responsible for such omission/ commission and his registration/ license to work in Authority may be suspended or cancelled or any other penalty may be imposed as may be decided by the committee constituted under the Chairmanship of the Chief Administrator after giving an opportunity of being heard.
