Memo No. A-7-UB-2015/ 4468-69 Dated: 4/3/15

Subject: Ban on transfer on residential plots allotted under various reserve categories (CRM No. 26292 of 2013) - Change of ownership of plots/house after the death of allottee.

Reference on the subject cited above.

It has been come to the notice of this office that some of the Estate Officers are taking distorted view of the instructions regarding transfer of plots in reserved categories. It is clarified that there is no hitch in transferring the plot in the name of legal heirs of deceased allottees even without going into the issue of multiple allotment. Further conveyance deed, building plans may also be done in normal course. All actions in the name of present allottee or his/her legal heirs are to be carried out in normal course. You are therefore requested to take further action accordingly. This also disposes of the memo no. 653 dated 27.01.2015 of Estate Officer, HUDA, Karnal.

This has the approval of Chief Administrator, HUDA

(B.B. Taneja)
Deputy Superintendent,
For Chief Administrator HUDA
